Recognizing Black History Month in Canada

The commemoration of Black History Month in North America dates back to 1926, when Harvard-educated African American historian Carter G. Woodson proposed setting aside a time devoted to honour the accomplishments of African Americans and to heighten awareness of Black history in the United States. This led to the establishment of Negro History Week in 1926. Celebrations of Black history began in Canada shortly thereafter. During the early 1970s, the week became known as Black History Week. It was expanded into Black History Month in 1976.

In December 1995, the House of Commons officially recognized February as Black History Month in Canada following a motion introduced by the first African Canadian woman elected to Parliament, the Honourable Jean Augustine. The House of Commons carried the motion unanimously.

In February 2008, Senator Donald Oliver, the first Black man appointed to the Senate, introduced the <u>Motion to Recognize Contributions of Black Canadians and February as Black History Month</u>. It received unanimous approval and was adopted on March 4, 2008. The adoption of this motion completed Canada's parliamentary position on Black History Month.

Returning to the Church Building (RCB) Committee Update

The RCB committee met on January 26th and reviewed the proposed revisions to the Province's COVID guidelines that were implemented on January 31st, 2022.

The committee decided to maintain the current church guidelines, specifically that Sunday worship services will continue to be live-streamed only, for the next few weeks.

The committee also set a target of Sunday, February 27, 2022 to return to in-person attendance for worship services, provided no significant events occur that would cause a change in this plan.

This will provide sufficient time to monitor any new information emanating from the January 31st revisions. The committee continues to stay informed of all Provincial and Regional guidelines.

The RCB committee is very appreciative of the congregation's understanding and patience.

Time to be Announced

Our Annual Meeting not only allows us to focus on the business end of the church and it's Governance, but more importantly it allows us a time to come together to Celebrate all the has happened during the past year! Even in these interesting times, there is much to celebrate, so plan on joining this important gathering. You are an integral part of Westminster's faith community and your voice is important.

We look forward to seeing you on March 6th, as we celebrate our ministries, receive reports, elect the governing body and members of committees and consider the financial forecast for 2022.

The Method and Location for this ACM will be sent out by email at a later date and announcements will also be made from the Pulpit.

Living Alone Luncheons

For many years, the UCW catering team has prepared a delicious two-course luncheon once a month for people in our church and community who live alone. Since we have not been able to offer this fellowship event during the pandemic, the catering team decided to offer take-out meals to this group. Starting in November, we had soup, sandwiches and apple pie; in December, the menu was shepherd's pie, salad and Hawaiian cake; in January, we were treated to chicken divan with rice and carrots and apple crumble and the February feast included ham with scalloped potatoes, corn, peas, salad and oatmeal cookies.

In these photos, you can see the team hard at work in the church kitchen.

Thank you, catering team, for finding a way to continue this ministry safely for both cooks and diners.

If you are interested in learning more about this group, contact Barb A. (through the church office). If you would like to become a trainee with the catering team, contact Shirley P. (through the church office). The Office Email is: wuc@westminster-uc.ca]

Bridge to a New Home

Our group was overjoyed to welcome Mebrahtom Sltan Hayle to Canada on Dec. 14th. He is brother to Freweyni who came with her four children in Aug of 2017. We have been trying to get him to Canada for almost three years, as he was in a dangerous camp in Libya.

As you can imagine, the whole family is very happy. After two weeks of self-isolation he is now living with Freweyni and the children and is looking forward to going to ESL classes. He's very happy to be in Canada and reunited with family. He saw his first snowfall a few days after arriving and now has seen a record amount of snow!

Our group continues to support all our families when needed - especially through the pandemic, helping with schooling and vaccines.

Pray Praise, Ponder

Imagine a world of smiling faces happy hearts and peaceful places.

Imagine a world of LOVE!

(From the "Little Book of Cheer")

The UCW has made a donation to
Gifts with Vision
on behalf of Rev. Michelle
and all the staff that have supported the UCW
throughout the pandemic.

We wouldn't be able to do our projects and programs without the support that they've given.

We also don't want to forget the many volunteers who have assisted us.
A big **thank-you** to them all.

Through Gifts with Vision,
we purchased a pig for an
indigenous woman farmer in Guatemala.
The older women remain in their village living in
poverty and the pig allows them to start a farm
that provides an independent
and stable income.

BRRR...It's COLD out there!

We're walking again! This year marks the 9th year that Westminster has had a team in the CNOY Walk in support of The Refuge. - 4. **Pray**...for our Team, but more importantly for all those who use the services of The Refuge ...and all who work there.

Love is Patient...Love is Kind!

Calling all Volunteers...

As we approach a new church year, it is a good time to put the word out for new, revived and/or renourished volunteers to join our various Committees. We have many volunteers who would like to step away for a while to get refreshed or renewed but simply cannot because we find ourselves with a small number of persons to replace them.

With that said, the pandemic has both helped and hindered our search. We say "helped" loosely because most times, our building was only opened to a limited number and for limited activities in 2020/2021. However, Committee work has continued at an even faster pace than before in some cases, like Outreach, Communications, Property and Stewardship/Finance.

Should you simply wish to volunteer for one or two 'smaller' projects, or wish to provide feedback and ideas for fundraising, or have a special interest you would like to share, or seem to have a little more time on your hands, kindly reach out to your Nominating Committee Members (names and contact info below).

The following is a list of our Committees that can truly benefit from your help and volunteerism. Please consider joining us for:

Trustees**
Christian Education
Small Groups**
Stewardship/
Property
Worship
Outreach
Communications**
Ministry and Personnel
Nominations**

Those Committees with asterisks represent Committees that really need you!

Remember that there are many, many benefits of volunteering, including: it makes you feel good doing good; you get to share your knowledge (leadership, time management, fundraising and networking, among others) and skills (such as communications, empathy and problem solving); and you get to give back to your faith Community that has always provided us with so much!

Westminster United Church Christmas Hampers

Thank you to everyone for who contributed to our yearly tradition of Westminster Christmas Hampers. With your overwhelming generosity, we supported 78 families, comprised of 315 people. This includes 185 children (a record for us) and 30 adults living alone. We were overwhelmed with the generosity of our community of faith, both in selection of tags, financial donations, donations of toys, and in time (driving for delivery).

We would also like to thank the "Westminster Shoppers" who took the remaining tags and were able to shop for kids using the significant financial donations we received.

It was wonderful to see and feel the Christmas spirit alive and well amidst our community, as gifts were dropped off at the gym, picked up (in drive-thru fashion) and delivered. Thank you for your generous support of the Westminster United Church Christmas Hamper Outreach Ministry.

Submitted by Joanne MacP. & Ashley E.

Thank You

On behalf of the clients of the Pantry (Food Bank) at Westminster United Church, the Outreach Team would like to express our most heartfelt thanks for the support of our Church members, community members and the Whitby Mayor's Fund Grant. With all of these contributors, we are able to make a big difference by caring for all God's children.

A Lenten Challenge

Blessings to all as we prepare for our Lenten journey 2022! Your Outreach Team has prepared a "Lenten Challenge" to have you giving, rather than giving up!

We ask that you simply decorate a box (have your children help) to put food items into during lent.

For example, the Pantry has a suggested list of 40 items you will find below. You can give an item some days, every day or only on special days of celebration for you. And the whole family can get involved!

Below is a list of suggestions:

Day 1: instant coffee	Day 2: chickpeas	Day 3: tuna	Day 4: juice
Day 5: pork & beans	Day 6: tea	Day 7: can corn	Day 8: shampoo
Day 9: tooth paste	Day 10: oatmeal	Day 11: cooking oil	Day 12: soap
Day 13: alphagetti	Day 14: granola bars	Day 15: can fruit	Day 16: kleenex
Day 17: tooth brush	Day 18: peanut butter	Day 19: crackers	Day 20: rice
Day 21: rice crackers	Day 22: jam	Day 23: kraft dinner	Day 24: can peas and carrots
Day 25: paper towels	Day 26: corned beef	Day 27: juice boxes	Day 28: kidney beans
Day 29: pudding cups	Day 30: laundry soap	Day 31: toilet paper	Day 32: coffee whitener

Any boxes of donations you prepare will be gratefully accepted on the Donation Drop-off Day, Holy Saturday, April 16th from 10:00am -12:00pm at the gym doors at the church.

The Pantry clients and their families are ever so appreciative of your kindness and generosity. Your support is more important than ever as we work toward recovering from the pandemic and helping others every step of the way.

Blessings and love to all! Your Outreach Team

Westminster United as an Affirming Church

Almost every church professes "Everyone Welcome", but many fail to deliver. Affirming churches such as Westminster play a uniquely vital role for a segment of our community in their mental health, suicide prevention and general quality of life.

Currently, over 4% of the population in Canada identifies as 2SLGBTQ+. In Durham region alone, that represents over 28,000 people. This community has experienced discrimination from employers, from the community at large and even rejection from their own families. To make matters worse, many churches have rejected and continue to reject them, denying them the acceptance, safety and comfort of a Faith-Based support system. The results are quite predictable:

- Elevated levels of poverty, food insecurity, homelessness, isolation, etc., especially for the youth.
- 2SLGBTQ+ are more than 3 times more likely to experience physical or sexual abuse than the general population.
- Fully 1/3 consider their mental health to be poor or fair, at best.
- One in six 2SLGBTQ+ youth have attempted suicide in the past year.
 That number jumps to one in three youth for the Transgender population.

We are proud that Westminster United offers an Affirming and truly welcoming place of worship to the 2SLGBTQ+ and their families. The Parish Mosaic Committee continues to work in alliance with other Affirming places of worship in Durham region, to get this "Good News" message out. We look forward to even more opportunities to connect and serve in the New Year.

Christmas Eve Family Service

Thank you to everyone who participated in and who viewed The Christmas Eve Family Service. It was so good to see how everyone rose to the challenge of the changes. We were fortunate to have a group of enthusiastic children and youth participate in the play and as soloists.

Many thanks go out to all who worked many hours on this production.

We wish to thank KenJen's Fun Farm for supplying our animals for the Christmas Eve services over the past years. They have retired as have the animals, and we wish them well. If everyone could put their thinking caps on - we would like to make a new connection with a farm if we are to continue this popular tradition. Please contact Heather VonZuben with any ideas.

Mission & Service

(With quotes, graph, and certificate from UnitedChurch.ca)

When we, the congregants of Westminster United Church, give to Mission & Service, these funds along with others from the United Church jointly accomplish three goals: to **transform and save lives**, to **inspire meaning and purpose** and to **build a better world**.

Under the Stewardship/Finance Committee's umbrella, Debbie Joyce has ensured that we have always had monthly readers for the "Minute For Mission" part of our worship. Of course, during the pandemic, Rev. Michelle has been bringing the story and the work of Mission and Service to us - choosing from their wonderful selection of videos. Thank you, Debbie, and Rev. Michelle, for always keeping the message of Mission and Service in the forefront!

For the year 2020, Westminster donated \$21,884 towards the Mission and Service of the United Church of Canada and this was graciously acknowledged:

In 2021, our budget was set at \$22,000 for Mission and Service, and according to December's figures, our offerings for M & S totalled \$25,371. How amazing!

"Our gifts to Mission & Service help people in need in Canada and around the world by providing access to food, housing, and employment support. Your generosity helps people develop new skills and access life-changing medical treatment and counselling. Your gifts help people live meaningfully and purposefully by supporting education opportunities, communities of faith, retreat centres, and more. From serving a hot meal at a local soup kitchen, to visiting a lonely neighbour, to financially supporting those in need in our local communities and around the world, the people of the United Church are committed to turning compassion into action."

(Continued on Next Page)

Mission & Service (Continued)

"In the last year alone, those who attend and support The United Church of Canada gave over \$26 million to people in need and to projects that matter. How?"...

"It's pretty basic. We share. United Church people across the country join together to share what we can. We give to people and places in need through a unified fund called Mission and Service.

We also support opportunities for people to grow spiritually in all kinds of ways. Locally, we support theological schools and education/retreat centres. We support events that promote spiritual development and personal reflection. We support new and innovative ministries, as well as communities of faith that are remote or in need. Globally, we support church organizations that work with theological schools, and we support places that offer practical training in agriculture and health.

Working in partnership with people and organizations, we never impose our solutions, ways of doing things, or belief systems. We aim for long-term solutions over quick fixes because we want to make a lasting difference. At this very moment, we are working alongside 72 partners in 21 countries around the world. We've built many of these relationships over decades.

These vital partnerships allow us to maximize generosity in places that desperately need our help and put donations to work quickly and effectively when disaster strikes almost anywhere in the world."

Thanks so much for your generosity!

On behalf of your Stewardship/Finance Committee

HOPE

HOPE is defined in the Oxford dictionary as a noun: "expectation and desire combined (of thing, of doing)" or as a verb: "look with expectation and desire for...". I prefer to see it mostly as a verb, including both attitude and action and inextricably connected with trust and faith.

In Advent, Reverend Michelle talked about prophecy, the assurance of things to come.

The renowned anthropologist, Jane Goodall, refers to the promise of hope as evidenced in the resilience of humans to persevere through catastrophe.

Thomas Watson, founder of IBM Corp., saw hope as "the forerunner of the history of human progress... The history of man's achievements has been written as men and women have set aside their fear and followed their hopes across new frontiers. Men of vision are men of hope... They are pioneers in all fields of human endeavour. They succeed in turning their hopes and aspirations into realities through creative industry and marked determination".

Several years ago, three Westminster couples (Brimbecoms, Sandersons, Shepherds) got together to think and talk about how to engage as "world citizens". We reviewed the book <u>The World in Disarray</u> by Richard Haas who is currently president of the non-partisan Council of Foreign Relations in the United States. Based on this material, we discussed various global issues such as the atomic threat, terrorism, climate change, etc. We finally decided to focus on climate change.

Westminster United Church then became the focus of our attention. We talked with clergy and lay leaders. Then, rather than make assumptions, we decided to consult with the congregation through a needs assessment or survey. This was carried out in early 2019. There was a 40% response to this survey and the results were as follows: in general, it was clear that there was considerable interest in learning more about the subject of climate disruption and mitigation. More specifically, the results were as follows: 69% agreed that climate change was significantly affected by human activity, 47% were actively engaged in taking concrete steps to reduce the negative effects of climate change and 47% were minimally engaged in this, 67% were interested in learning more about government activity in this area, 52% in learning about NGO activity, 46% in global activity, 84% in learning about faith community action, 51% in learning about private sector activity, 35% in advocacy opportunities and 74% in individual lifestyle opportunities.

Shortly after this, the Climate Disruption Mitigation Committee was formed. Its purpose was to engage the congregation of Westminster United Church, both individually and collectively, in the mitigation of climate disruption and to facilitate other faith groups to do the same. Since that time, the committee has been involved in regularly producing educational articles and lifestyle tips for the newsletter and occasionally the bulletin. We have also sponsored several special events.

On January 28, 2020 a comprehensive Climate Mitigation Policy was approved at our Annual Congregational Meeting. More recently, Council committees have completed Annual Goal Plans. These plans include measurable targets and identify people accountable for goal completion. It is hoped that the congregation will soon be able to scrutinize these plans.

So, this is a real-life story of HOPE. It is a story of how a faith community can actually do something concrete about climate disruption and its mitigation. It is a story of courage, determination and HOPE. It is OUR story.

Respectfully. Bill Shepherd CDMC

Drive-Thru Christmas Parade

On Friday, December 17th, the 11th Whitby Beavers, Cubs and Scouts held their first "Parking Lot Parade", and they partnered with Westminster for this fun and festive event!

In order to keep everyone safe and healthy, this nighttime parade had the "Floats" standing still and the spectators driving by all the wonderfully lit displays. Along with all the awesome floats from the 11th Whitby groups, Westminster was invited to add our own float to the parade as well.

We created a "Giving Tree" to support the Scouting vision of making this event all about supporting our Food Bank, *The Pantry*. Visitors were invited to donate food items and other essentials when they entered, and when they were done, all the children were given gift bags and had the opportunity to roll down their windows and wish Santa a Merry Christmas.

A huge thank you to all of the leaders, kids/youth and parents of the 11th Whitby Scouts for dreaming up this event, for executing it so wonderfully, for inviting Westminster to join the fun and for the incredible amount of food you collected for our community! To all who drove through and said hello, thank you for supporting this endeavour. For anyone who missed it, you'll have another chance, as plans are already in the works for this year's Parade! See you in December!

A Psalm for Black History Month

From everlasting to everlasting World without end, You Are!

Wrought in my mother's womb
And even before then
You knew I would be.
Who I would become—or not...
Where I would dwell—or not...
What skin tone I would have
Especially after the sun had touched me;
All these, you, Creator God, had known.

The language that I would speak
Or how many I would speak, hear,
and understand
How I would know to call you
And know that you are still the One
How I would pray, praise, or lament
And hope and trust that you would still hear.

My mother continent is Africa
Vast lands and lakes and rivers
created by you.
You were there before many a navigator,
an explorer, often a stranger
Created invisible lines, invisible boundaries,
unnecessary divisions.
Before I knew to call you God or Dieu,
Languages from across many seas,
I learned to call you in the languages
Of my kin and others, closer, nearer,
and dear to me,
Present or gone before me
In the continent of my origin,
my birth, my roots.

Nyasaye (Luo)
Mungu (Kiswahili)
Mulungu (Ngoni)
Ngai (Kikuyu)
Enkai (Maasai)
Chukwu (Igbo)
Unkulunkulu (Zulu)
Lesa (Bemba)
Mwari (Shona)
You who sees all, hears all, knows all
You who are many in One,
Present everywhere all at once;
You in whose image I am made,

You whose nature is Love, Unity, Harmony, Sameness, It matters not in what land I currently dwell.

To you I pray,

Breathe your nature in me
Breathe courage and wisdom in me
Breathe healing over wounds
that may still be open
Breathe over scars that may still be tender
Breathe to soothe the hurt
that may still linger
Breathe, so that unforgiveness
may not inhabit or overwhelm me

Breathe that I may fully live to Love and be loved Understand and be understood Accept and be accepted Value and be valued Listen—and be listened to

That I may not be singled out
Because of mere suspicion or stereotype
That I may not be considered
as not belonging
Because a person, a people, a system
Just cannot believe or accept that I do

That I may be viewed neither as a token nor an object of pity But truly and sincerely be recognized as a worthy and deserving human

In the here and now and beyond now

Amen

Community Outreach

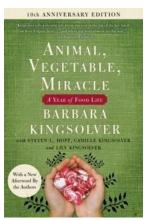

On Wednesday, January 26th,
Westminster shared our space with the *GoVaxx Bus,*in order to belo our community

in order to help our community have easy access to vaccines.

Many thanks to our wonderful committee volunteers who helped coordinate this effort!

The next gathering of the Book Club is Wednesday, March 23⁻⁻, 2022 at 1:00 pm by Zoom (through the internet or via phone hook-up) from the comfort of your home to discuss the book: **Animal, Vegetable, Miracle, A Year of Food Life** by Barbara Kingsolver This is a Book in a Bag selection so I have books to lend.

When Barbara Kingsolver and her family moved from suburban Arizona to rural Appalachia, they took on a new challenge: to spend a year on a locally-produced diet, paying close attention to the provenance of all they consumed. Concerned about the environmental, social and physical costs of American food culture, they hoped to recover what Barbara considers our North American's lost appreciation for farms and the natural processes of food production. The Kingsolver family's experiences and observations remain just as relevant today as they were ten years ago.

All are welcome. To borrow the book or for more information, please call Susan at 905-493-3122. If you have not attended a previous book club gathering, please let Susan know that you are interested so that she can email you the Zoom links information.

Easter Flowers

Every Easter Sunday, Westminster's sanctuary is decorated with beautiful spring flowers expressing our joy that Christ has risen. After the service, the flowers are delivered to those in need of some cheering up. We aren't really sure what the status of the pandemic will be this year, but we do know that we will be continuing this Westminster tradition, while following the safe guidelines as directed by the Province and the Region of Durham Health Department.

The flowers will be purchased with memorial donations to Westminster in honour of friends or loved ones with their names acknowledged in the bulletin on Easter Sunday and in the monthly *Westminster World newsletter*.

Following the Easter Service, the flowers will be distributed safely to members and friends who are ill, in hospital or long-term care, or who have been experiencing difficult times or recently lost a loved one. The list of recipients is compiled by the Ministry and Office staff, the Wellness Committee and the Friendly Visitors. Any flowers remaining will be delivered to someone who is newly identified and needs remembering. If you know of someone who would appreciate a gift of flowers, please notify the church office, preferably by e-mail at wuc@westminster-uc.ca or, if necessary, by phone.

Donations will be received now and until the end of March. Three ways to donate:

- **E-transfer:** Please use the security question "Easter?" and the answer is "Flowers". The message should state: "Easter flowers in memory of..."
- Canada Helps: Select "Easter Flowers" under the Fund option.
 In the "Dedication Information" field, click on either "in memory of" or "in honour of"
- **Drop-off at Westminster:** Cheque or cash indicate "Easter Flowers" on the envelope. Be sure to include who it is from and who it is in memory of.

Any memorial funds remaining from the purchase of the flowers will go to the General Fund of Westminster. The full amount of your donation will appear on your tax receipt.

If you are able to assist with the delivery of the flowers on Sunday, April 4th, or if you would like more information, please contact Crystal at crystal.a.smith55@gmail.com or 905-809-8484.

Receiving the potted plants at Easter brings heartfelt joy and blessings to the recipients, reminding them that they are part of our family. Please consider donating today.

With Thanks from The Wellness Committee

Westminster's Online Auction:

November seems so long ago, but a warm and hearty "**Thank YOU**" is neither outdated nor overrated and should never be overlooked.

The totals are in and the news is great! With your help, we were able to raise a total of \$3,558.70!

We had set an aggressive \$5,000 target and raised \$3,852 before expenses (auction fees and transaction fees). Unsold items from the online auction were placed outside the gym doors for anyone to make an offer as they came by to pick up their items on Nov. 20, 2021. Additional items were sold on the Oshawa Auction site.

Thank you again for your patience and for everything you do and have done to support our fundraisers!

We look forward to 2022 and your valuable support once again!

Blessings, Brian Woodlock, Stewardship/Finance
